Dear Eskom Customer

ESKOM CONTRACTORS: METER READERS

We acknowledge that security is of utmost concern to all landowners. In this regard we wish to advise you about the contractors you may expect to find reading Eskom electricity meters. The meter readers should be recognisable by their company's branded attire and the identification cards showing their photograph. They will also have an 'Eskom Contractor' magnetic sticker on the side of the vehicle.

The following are the contracting companies that are currently performing meter reading services in the KZN province:-

- Hlalubonga Supply & Trading
- Ilimo Services & Consulting CC
- Sxuzza Contractors
- Ukunqoba Distributors
- Utility Services

We trust that the above is in order. ESKOM values you as a customer and we continuously strive to improve our service levels.

Yours sincerely
